

The Orthodox Senior High Youth Mission Team – 2011/12

Covenant

The mission of Orthodox Senior High Youth Mission Team is to serve God by working on missions within our parishes and through outreach into our communities, country and world. The talent and efforts of each person is essential to accomplish this mission. All participants are expected to make the following commitments:

- Participate in fund raising activities
- Attend construction skills and safety training
- Attend at least three of the four other training sessions
- Sell a minimum of 10 shares of stock to support our mission work
- Provide notarized permission slips and waivers as required
- Contribute payments towards the cost of the any mission work

I agree to participate meaningfully in the preparations and training for the work day and/or work trip and to complete each of the required activities.

A spirit of cooperation, a respectful attitude, and consideration for others are essential to the success of these projects. I agree to bring such a spirit to the mission work. I agree to treat the leaders with respect at all times, during training, fundraising and on the work trip or event.

I agree to have fun, work hard, and share God's love with each other and the people we meet during our mission work.

By signing your name, you have made a covenant with the participating Orthodox churches, the leaders and your fellow Senior High Youth Mission Team members.

Participant Signature

Date

I have read the above covenant and will support my child's participation in the mission work of the Senior High Youth Mission Team.
